POWER

ELETROPAULO

BRAZIL

Glauber Lima Fraga
Project Manager

"The persistence shown by EGA Master to find a solution that would meet the customer's needs is a clear evidence of EGA Master's commitment to fulfil the needs and customer requirements."

EGE HAINA

DOMINICAN REPUBLIC

Wendy Calderón
Purchasing Manager

"We have trusted EGA Master for the supply of mechanical tools. In our industry, safety and quality are highly valued parameters and We are very satisfied with the products delivered."

CELEC

ECUADOR

Fidel Chuchuca
Head of Electrical Maintenance

"EGA Master 1000V insulated tools comply with the quality and safety standards that allow us perform our work with great confidence."

ENERTIME

FRANCE

Thomas Delaire
Procurement and Project
Manager

"With its wide catalog and speed, EGA Master has allowed us to find the perfect tool for each operation. The complete customization of their tools has allowed us to gain efficiency and to work with complete safety."

WEG INDUSTRIES

INDIA

Sharuk Hussain
Senior Wind Project Engineer

"EGA Master hand tools are of good quality and ergonomic design. The torque wrench is light in weight. The tools are certified premium products and very effective."

ANDRITZ HYDRO

UAE

Rajabbek Otashbekov
Onshore Manager

"Our teams simply loves the EGA Master products. Once we have tried their tools, they have become the preferred ones in our company."

FENIX THERMOELECTRIC POWER PLANT

PERU

Elio Camargo
Mechanical Technician
Plant Management

"We have trusted EGA Master as a supplier of our Non-Sparking and 1000V insulated tools due to the high quality of their products and the wide range of safety products that they offer us."

HERA HOLDING

SPAIN

Máximo Aguado
Technical Manager
Venta de Baños

"EGA Master helps with their custom designs, collaborating with HERA HOLDING to increase the safety of our operating processes with risk of explosion."

شركة نواة للطاقة
Nawah Energy Company

NAWAH ENERGY COMPANY

UAE

Michael Talley
Turbine Lead

"We are very pleased with the EGA Master tools provided."

Testimonials

POWER

LA ROSA
 UAE
 Sujith Sasidharan
 Sales Engineer

"The quality of the EGA Master tools is good and we have not received any claims from our end users."

BECHTEL
 CHILE
 Matías Riquelme Leiva
 Tool Coordinator

"EGA Master's 1000V insulated tools deliver outstanding quality, safety, and reliability, even in extreme conditions. Their ergonomic design and certification ensure peace of mind. An excellent investment."

SOLULIFT
 SPAIN
 Vicente Palacios
 Management

"Solulift, specialized in lifting tool design, manufacturing, maintenance and sales, relies on EGA Master for premium industrial tools in demanding applications."

VOLTA RIVER AUTHORITY
 GHANA
 Kofi Owusu Dwamena
 Senior Engineer (Electrical)

"EGA Master tools exceeded our expectations in quality and variety. Prompt delivery and top-notch durability impressed the Hydro Generation Department of VRA Ghana. Highly recommended."

ACCIONA AGUA
 PERU
 John Marlo Suyón
 Electrical Mechanical Engineer

"We chose the non-sparking EGA Master Tools because they offer BAM Safety Certification, being safe for work in areas with possible explosive atmospheres."

ORTEC GROUP
 FRANCE
 Corentin Calis
 Head of Maintenance Sector

"Thank you to EGA Master for the availability and understanding of our needs. Listening before and after the sale, I recommend it!"

STEG
 TUNISIA
 Islem Nouidha
 Head of Stock Management Department

"Productivity, efficiency and safety are key concepts in our electrical production group. EGA Master is a unique source for each of them!"

EIFFAGE ÉNERGIE
 FRANCE
 Régis Faure
 Logistics Manager

"After deciding to equip all installers with toolboxes, we chose EGA Master for their wide, customizable tool range. Employee feedback was very positive on tool quality, and their responsiveness and innovation have helped us improve over time. Highly recommended."

GROUPE ADF
 FRANCE
 Teddy Raczkiwicz
 Stock & Logistics Operator
 Nuclear Division

"EGA Master is all about safety and efficacy. We know that we can entrust their products to our teams even in the most demanding operations. I recommend their innovative and one-stop solution."

Testimonials

POWER

SMRI

FRANCE

Michael Bouabbache
Head of Rotating Machinery
Department

"Thank you for your commitment and responsiveness. Thanks to you we will be able to respond to our client in time. A real PRO job!"

**CELEROS FLOW
TECHNOLOGY**

UAE

Ajmal Payaningal
Workshop Manager–Abu Dhabi

"As part of our safety campaign, we used EGA Master's Total Safe slogging wrenches and were fully satisfied. They kept hands safely out of the line of fire. We're also pleased with the torque multiplier, a high-quality and highly useful tool."

ENDIPREV

PORTUGAL

(Muehlhan Wind Services)

Fábio Pereira
Purchasing Manager

"EGA Master helped us to improve safety and efficiency in our operations, onshore and offshore. We had a problem with the torque wrenches that was completely resolved. They offer excellent service, reliability and efficiency."
